

providing support for those affected by
autism and aspergers syndrome

GENERAL TRAINING CONTACTS

autism London is able to provide general or bespoke training in any aspect of Autism or Aspergers Syndrome to professional groups, schools, care and support providers, employers and professions allied to medicine.

Please contact us directly for more information on how we can support your learning in regard to both adult and children issues and topics.

We have a training centre available in East London just 10 minutes from Woodford Tube station on the Central Line with free all day car parking.

Foundation for People with Learning Disabilities

The Foundation for People with
Learning Disabilities has developed a new training
resource with a difference
- family carers, who are also encouraged to
deliver the training alongside professionals,
developed the contents to train staff working in
learning disability services.
